

# Jazz School UK Pathway

## Information Sheet

The Pathway is a more intensive and personalised way of combining our regular Jazz School UK activities (Ensembles, Course Days and 121 tuition) with guided personal study.

Students enrol for one of 4 levels (Certificate Level 1, Certificate Level 2, Certificate Level 3 or Diploma Level 4) depending on their playing skills, knowledge and experience.

Each of these programmes takes 2 seasons (seasons run September-August) to complete. During each season a student is expected to contribute 600 hours of study, comprising 480 hours of guided personal study and 120 contact hours.

While a student will ideally complete each programme in consecutive seasons of study, we will also award a PART 1 after one season if at that time a student should wish either to discontinue or temporarily break from the programme.

**Guided personal study** may include solo practice, transcription, repertoire, jam sessions, gig attendance and other activities to be decided with your tutor.

**Contact hours** will be a combination of workshop days, 121 lessons and email discussion.

**Workshop days** will be a combination of regular Ensemble days and Course Days (including special Pathway Days).

**121 lessons** may be held at Jazz School UK or elsewhere with other tutors according to the needs of the student, and may take place in person or if more convenient via Skype.

A typical season schedule for **Contact Hours** could be:

| Contact               | Total            |
|-----------------------|------------------|
| Ensemble (8 sessions) | 40 hours         |
| 121 lessons           | 10 hours         |
| Email discussion      | 10 hours         |
| 10 Workshop Days*     | 60 hours         |
| <b>Total</b>          | <b>120 hours</b> |

\*10 Workshop Days chosen to fit student needs from a total of 30 on offer throughout the season.

Or with 24 monthly instalments of £150 the cost is **£3600**.
